

Year 1 Comprehension 8: Animal Parade

Once upon a time, in a big green forest, there was a special day. It was the day of the animal parade! The animals were so excited to march and show off their colourful costumes.

First, there was a giggly giraffe wearing a bright, polka-dot bow. Right behind, a bouncy bunny hopped around in a fluffy, pink tutu.

Then came a wiggly snake, slithering with a shiny, golden hat on its head. And don't forget the jumpy frog, leaping happily with a sparkly crown.

A sleepy bear joined too, wearing pyjamas and carrying a teddy bear. And a wise owl hooted in a graduation cap, ready to teach all the animals.

The parade went on with clapping paws, tapping hooves, and flapping wings. The animals danced, twirled, and laughed all the way to the big rainbow tree.

Under the tree, they had a picnic with yummy treats and shared funny stories. It was the best animal parade ever, full of friendship and fun! And as the sun set, the animals knew they'd always remember this amazing day.

Multiple Choice Questions

1. What was the special event in the story?
