

## Year 2 Comprehension 16: Enchanted Puzzle Painting

Once upon a time in a colourful town, lived three best friends named Mia, Alex, and Emma. One sunny morning, they heard about a mysterious puzzle painting hidden in the old art gallery. Excited, they decided to find it.

The friends arrived at the gallery and discovered a large, blank canvas with scattered puzzle pieces nearby. As they placed the pieces on the canvas, something magical happened. The puzzle pieces transformed into parts of a beautiful painting! They giggled as flowers, animals, and a bright rainbow appeared.

But the painting wasn't complete yet. The friends realized that the missing pieces were hidden around the gallery. Mia, Alex, and Emma explored every corner, solving riddles and finding the missing puzzle pieces. Each piece they found brought more enchantment to the painting. With teamwork, laughter, and a touch of creativity, the painting was finally finished. As they placed the last piece, the painting shimmered, and the colours came alive. Birds flew off the canvas, and flowers swayed in the breeze.

The town's people gathered to see the magical masterpiece. Mia, Alex, and Emma had turned a simple puzzle into a work of art that filled everyone's hearts with joy. From that day on, the friends knew that with curiosity and cooperation, they could turn ordinary things into extraordinary adventures.

## Multiple Choice Questions

1. What did the three friends discover in the old art gallery?
