

Year 2 Worksheet 27: Conducting Surveys and Tallying Results

Activity 1: Conducting Surveys

Instructions: Below are some questions you can ask your classmates or family members. Write down their answers in the spaces provided.

1. What is your favorite color?

2. How many pets do you have?

3. What is your favorite fruit?

4. How many books do you read in a month?

5. What is your favorite season?

6. How many hours do you play video games in a week?

7. What is your favorite subject in school?

8. How many times do you eat pizza in a month?

9. What is your favorite animal?

10. How many languages can you speak?

Activity 2: Summary of Results

Instructions: After conducting your surveys, write a summary of the results for each question based on the answers you collected.

1. Favorite Color:

Most common answer: _____
